## Madrid outdoor range

John Lewis

## Madrid

Madrid is a hand woven lounging and dining range suitable for outdoors or conservatories. Its square profile and metal frame legs give a contemporary feel. The modular pieces help you create the perfect arrangement for your space. Shown in brown.

Please ensure this PrintSpec colour bar and the Pantone Colour blocks (if applicable) are printed on the wetproof that you produce. It is essential to allow us to accurately measure your proof and approve/provide detailed feedback to you if rejected. The Colour Bar should be left positioned as you see it on the artwork, one horizontal, and one vertical on the artwork. Please supply 2 flat printed wetproof sheets for initial proof approval to John Lewis.
