How it works

Purchase a qualifying Samsung Smart TV between 1st October 2012 – 24th December 2012, and then purchase a second Samsung product (or multiple Samsung products) within 28 days of your original TV purchase from the same store and then apply for your reward. It's that easy!

Please remember to keep your receipts safe as you will need these to submit a claim. Your claim has to be made within 28 days of your second purchase.

The maximum value of the 'Reward' is determined by the model and size of TV purchased and could be up to £250 (please refer to the Reward Yourself Values at a Glance Guide below for details). The value of your second Samsung purchase (single or multiple) determines the exact amount you'll receive back. So if you spend £150 on a second Samsung product but the 'Reward' value specific to your TV purchase is up to £200 you'll receive £150 back. Retrospectively, if you buy a second product exceeding the 'Reward' value you'll receive the full reward amount back.
