Noah

Bethan Gray says “The inspiration behind Noah was my love of designing with wood, in particular fashioning it in simple and sculptural ways to give a pared-back feel and an understated luxury”. Each piece is made from solid and oak veneers with a natural lacquer, while the occasional use of colour, while primarily soft, complements the wood perfectly.

Features

- The grain direction follows the width of the table and bench, emphasising the solidity of the wood and giving it a contemporary feel.
- The sideboard's doors and drawers are disguised behind a pattern of horizontal and vertical strips which also have a crafted handle detail.
- A choice of wooden or leather chair styles is available to complement the dining range.
