

Wales & Wales are furniture designers with over 30 years' experience. Characterised by a robust, unelaborated elegance rooted in a pragmatic understanding of materials and processes, their work has a varied yet distinct visual identity and has been acquired for the Victoria & Albert Museum and The Crafts Council among others.

Collaborating with established and emerging designers is an important and exciting part of what we do here at John Lewis. Working together to produce exclusive ranges, the result is a collection of inspirational products of superior quality for your home.

 John Lewis

# Radar

The Radar range exemplifies some typical Wales & Wales' features such as poise, from top to tapered toe. Subtly moulded and curved legs cluster to form an elegant contemporary pedestal and a uniquely veneered tabletop provides an unexpected extra vitality to the surface.
