

Features

- Bistro table, round dining table and chairs all fold and stand upright for easy storage.
- Stackable chair option also available within this range.
- Teak is known for its durability and has a good grain and texture. Its natural oils make it suitable for outdoor furniture.
- The brass connections on the steamer chair are made from marine grade material.

Wood from sustainable sources

The Forest Stewardship Council® promotes environmentally appropriate, socially beneficial, and economically viable management of the world's forests. When you see the FSC® logo on a product you can be assured it comes from a responsibly managed forest or other controlled sources.
