Mix It your way ...

Our Mix It range allows you to create an individual look to suit your personal style. From contemporary gloss to modern shaker, on trend handle-less fronts to a wide selection of handles, Mix It has got it covered.

Two different heights of wardrobe cabinets and a wide range of internal organisers, allows you to maximise your storage options. To complete the look, there are a range of matching chests of drawers, desks and mirrors. The Italian designed and manufactured Mix It range offers a simple solution to suit your needs.

Let us show you some specially selected options, along with a simple to follow step by step guide for you to Mix It your way.

For further assistance, visit a John Lewis store to discuss all available options to create your ideal storage solution.

Add a gloss white Napoli bed to compliment your Mix It furniture.

Additional hanging rails are available to make the most of hanging space.

Standard Wardrobes - 201cm high

To make it easier to create the best use of your storage space, we have created a selection of single, double and triple wardrobe combinations which maximise your storage space. Choose from a range of linen interior organisers to complement your wardrobe frontals and Mix It your way. For more options, please speak to a John Lewis partner in store or visit us online: www.johnlewis.com

Storage designed for small rooms ...

House Super Storage Bed

The super storage bed frame offers a design-led storage solution for even small rooms. To stash your spare duvets, pillows and bedding, simply lift the slatted frame to make use of all the space beneath or lift open the top of the bedstead.

Italian made and FSC certified, this super storage piece will slot effortlessly into any contemporary bedroom space. Go modern with minimal crisp white bedding, or make a statement and layer up with luxe linens and opulent textiles to create your very own sanctuary for sleep.

The super storage bed matches perfectly to the natural oak cabinetry of Mix It.
